§ 1941.6 Credit elsewhere.

The applicant shall certify in writing on the appropriate forms, and the County Supervisor shall verify and document, that adequate credit is not available, with or without a guarantee or subordination, to finance the applicant's actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in the community in or near where the applicant resides for loans for similar purposes and periods of time.

(a) If the County Supervisor receives letters or other written evidence from a lender(s) indicating that the applicant is unable to obtain satisfactory credit, this will be included in the loan docket.

(b) If the applicant cannot qualify for the needed credit from the lender(s) contacted, but one or more of them has indicated they would provide credit with an FmHA or its successor agency under Public Law 103-354 guarantee, or the County Supervisor determines that the applicant can obtain a guaranteed loan, the applicant will be advised to file an application with that lender(s) so that a guaranteed OL request can be processed by the lender(s) for consideration by FmHA or its successor agency under Public Law 103-354.

(c) Property and interest in property owned and income received by an individual applicant; a cooperative and its members, as individuals; a corporation and its stockholders, as individuals; a partnership and its partners, as individuals; and a joint operation and its joint operator as individuals will be considered and used by an applicant in obtaining credit from other sources.

(d) Applicants and borrowers will be encouraged to supplement operating loans with credit from other credit sources to the extent economically feasible and in accordance with sound financial management practices.
